

Seesaw

You have the planetary pattern called the 'seesaw' type. With your planets divided into two distinct groups, you are very balanced in your outlook, always being aware of both sides of an issue, always able to compromise between opposing points of view. In this way you are quite similar to a Libra personality.

The Sole Dispositor of your chart is**Mercury in Gemini (10 Gem 22R)****Ruler of sun sign - sun's ruler**

The Sole Dispositor helps form your core personality, it ultimately rules all the other planets of your chart: Mercury in Gemini gives a keen, alert and expressive mentality. You have great versatility with this position, and can take up many different skills. You love variety in your life. You are constantly perceiving the world around you, and relaying your perceptions to your mind. Your approach to mental pursuits is intellectual, rather than practical, and also may be more surface-oriented rather than deep and philosophical. You speak rapidly and well, and enjoy conversation with many different types of people. You are restless and can be prone to anxiety. Beware of stress to your nerves. It is beneficial for you when you cultivate periods of inner stillness. Mercury in the Eleventh House represents a strong mental connection between one's inner awareness and that of others, in friendships or in the setting of group associations. Your social motivation is strong, and you strive in your communication and contact with others to advance the cause of humanitarian ideals. You also have an inquisitive and scientific mind, with excellent powers of logic and reason, and an insightful and detached mentality. Your thinking is idealistic, yet also well grounded in reality. You are a good judge of character, and you appreciate the beauty of things in the world, but not apart from their utility and ultimate purpose. You enjoy learning in the company of others who share your interests and curiosities. You are in tune with how people within a collective share and integrate ideas. You are a natural conduit for group awareness, and may find yourself a leader in group communications. You benefit when you can grow and express yourself within the context of larger group or collective.

T-Square, focal planet Moon

You have a T-Square in your chart. With a this planetary aspect pattern, in which three planets or conjunctions are in square with one another, you have a high degree of motivation and drive. Your energies are most easily and habitually expressed by the energy of the focal point, the middle of the T-Square. You may also compensate for overdoing in the area of life represented by the focal point, by leaning toward the empty pattern element opposite the focal point, seeking to balance your activity. The lesson of this planetary aspect pattern is in learning to use your considerable energy wisely in the pursuit of your true goals. There is great tension represented by the focal planet or planets in your chart, where conflicting parts of your personality attain their focus and peak of energy, and you may observe compulsive behavior in the area of life represented here. The Moon in Virgo gives a hardworking and well-organized personality. You may appear somewhat reserved. You may appear fussy and overly critical of others, due to a streak of perfectionism in your innermost being. You truly are of service to other people, and you are likely to be well-regarded because of it. You may

have a sense of insecurity that underlies your drive for intellectual superiority. You should beware of attempting to change other people for the better, and you should be easier on yourself and others to avoid problems with your health in later life. The Moon in the Second House represents being emotionally connected with one's values, with one's possessions, or the material things in this world. You may feel that your self-worth is connected with the physical manifestation of material wealth or material comfort. Your values are very important to you. You may feel compelled toward gaining material wealth or possessions when your emotional life is unfulfilling. You can also be quite generous. Your finances may fluctuate throughout your lifetime as you move through various emotional growth phases. When you follow your gut feelings you are likely to be successful financially. You excel in occupations which deal with meeting the wants and needs of other people. You feel most comfortable and secure when your values and emotions are clearly defined and you can act upon them.
